EXPERIENCE

Full Stack WordPress & Shopify Developer

2023 – 2025

Kreativrudel GmbH & Co. KG · Berlin, Germany (Remote)

- Built and customized Shopify stores with Liquid themes and app integrations for international e-commerce brands.
- Enhanced WordPress sites with advanced custom functionality, ACF, Custom Post Types, and Elementor animations.
- Projects: upwire-group.com · viralvolt.io · wastemove.uk · skinneretnadeau.com · tomorrows.store · mionparis.com

Senior WordPress Developer

Jul 2019 – Mar 2022

Gomal Themes · Faisalabad, Pakistan

- Led end-to-end WordPress development projects including PSD-to-theme conversions and plugin customization.
- Built a multi-role truck recruitment platform (Admin / Driver / Recruiter) with a full job listing module from scratch.
- Projects: doctorsforhealth.co.uk · coste.pk · exactave.com · classaclub.com

PROJECTS

Vehicle Booking Platform

wastemove.uk · UK

- Built a full vehicle/waste booking portal with custom WordPress logic, real-time booking flow, and responsive UI.

Multi-Role Recruitment Platform

classaclub.com · Gomal Themes

- Developed from scratch a truck driver recruitment site with three user roles (Admin, Driver, Recruiter) and a dynamic job listing module using WordPress.

Agency Website

upwire-group.com · Kreativrudel GmbH

- Designed and built the full agency website for Upwire Group (upwire-group.com) on WordPress with advanced animations, custom theme, and Elementor widgets.
